

Robbinsville Little League Families,

Happy Holidays! As 2020 finally ends and we plan for the 2021 season here at Robbinsville Little League, we wanted to share some important details regarding the upcoming season. As most families begin to think about this upcoming season, we are sure there are plenty of questions regarding how and if the season will happen. We had a successful 'Sandlot' season that lasted from July through October and our plan is to have a full regular season in the 2021 season.

Our goal at RLL is to offer a safe, fun, learning atmosphere that kids can grow from. We have a detailed COVID-19 mitigation plan which worked well over the summer with our Sandlot program (link below). The safety and health of the players and coaches as well as their families is especially important to us. Robbinsville LL will be offering a full 100% refund (minus a \$10 processing fee) of league fees for any player/family who registers now for the 2021 season but eventually decides not to participate before the deadlines specified below. Being that we need to plan for the season, there are specific dates that we will need to be notified of any cancelation in order to get a full refund.

**[Tee Ball, Rookie/Coach Pitch, Soft Tee, Soft C](#) – **Deadline: March 15th, 2021****

**[Minor, Major, Soft A, Soft B](#) – **Deadline February 15th, 2021****

If you should decide not to participate in the 2021 season after registering, we ask that you email RLL (Dave Crandall) at [\*\*d.crandall@iconjds.com\*\*](mailto:d.crandall@iconjds.com). All requests will be processed at once when the deadline has passed. You will be notified when refunds have been processed. Any requests for refunds after the specified date above, will result in a 65% refund based on uniforms, utilities, insurance, and other cost fees that have occurred. No refunds will be issued after May 1st assuming the season starts on time.

As always, if you should have any questions regarding the upcoming season, feel free to reach out to any board member. Stay Safe and Healthy! Happy Holidays.

Kind Regards,

Robbinsville LL Board
