

Coach Code of Conduct

Our Coach Code of Conduct mirrors the same principles of sportsmanship and respect, park decorum, and zero tolerance policy outlined in the EGBL Parent Code of Conduct.

I, _____, coach for the Dacula Athletic Association Baseball Program, hereby agree to the following:

Sportsmanship & Respect:

I will lead by example and promote good sportsmanship among players, parents, officials, and fellow coaches of any team and refrain from making negative comments or gestures at every practice, game, or event.

I will be mindful that my conduct reflects on the entire Dacula Athletic Association community and the Elite Gwinnett Baseball League.

Park Decorum:

I will ensure that both I and any assistant coaches dress appropriately for practice and wear team-approved attire for games (full coverage; no clothes with obscene words or messages).

I will always maintain a respectful and professional demeanor with all patrons of the park, respecting the family-friendly environment at every practice, game, or event.

I will direct my team to use instrumental or non-offensive music, shall team music be desired.

Zero Tolerance Policy:

I agree there is a zero-tolerance policy for bullying and harassment, use of belittling remarks or offensive language, and physical confrontation to any members of the park community including players, parents, officials, and fellow coaches of any team.

I agree any violation of this policy WILL result in suspension(s) from coaching EGBL games.

Acknowledgement:

I have read and understand the expectations outlined in this Code of Conduct.

I understand failure to comply with these expectations may result in consequences outlined above.

I understand the importance of being a leader and a role model for the children on my team. I will demonstrate how to handle adversity and difficult situations with grace, respect, and resilience.
