

The Quarries Christian Life Center POLICIES AND GUIDELINES

INTRODUCTION

We are excited you've considered The Quarries Christian Life Center (CLC) as a possible location for your upcoming event. We've prepared the following pages to assist you in making your event a wonderful and memorable experience. As you plan and consider how your event will unfold, these pages will serve as a guide for the policies and rules all groups adhere to.

The Quarries CLC is a ministry of Hyde Park Baptist and The Quarries Church. We are a privately held enterprise with an obligation to adhere to the statement of faith of this Church and its leaders. All requests for rental of this facility or property operate with the understanding that the event does not compromise our loyalty to Jesus Christ in service, accountability or religious practice, nor can this facility be used for any purpose that violates the statement of faith. Your careful consideration of such obligation will ensure a smooth and successful event of which you will always be proud.

The statement of faith is located at www.hpbc.org, see the "About" tab then click on the "Our Beliefs" tab. Additionally, the information in this document has been compiled and adopted by the Hospitality and Building and Grounds Committees of Hyde Park Baptist and The Quarries Church.

RESERVATIONS

The reservation process requires several days and is initiated by contacting the Quarries CLC at (512) 241-0233. Our receptionists will use an inquiry questionnaire to capture your initial requests and will document this information on the inquiry sheet. Please communicate as much information as possible. *The Events Director will use the inquiry sheet to research your organization, availability/capability, discuss your event with the Quarries Team for staffing schedules and availability, equipment rental and availability, and management of the building and resources.*

After the research, the Events Director will email you to schedule an on sight meeting. At that meeting, full disclosure and details should be provided and will be documented for further review. If approval is given, request for the security deposit of \$350.00 US dollars will be requested from the Event Director. Upon receipt of the security deposit a reservation number will be assigned and communicated. This reservation number will be used for invoicing the rental fee(s) and payments and for securing the date and time of your event.

You should not announce any event date until the date is confirmed on the Quarries reservation system, and you have received a confirmation reservation number assigned to your event. Two weeks prior to the event you should make an appointment with the event director to discuss last minute changes and to ensure full payment of your rental fee was received.

Organized group events will require a “day event” liability insurance certificate listing Hyde Park Baptist church as the Certificate Holder, with the minimum limit of \$1,000,000 per occurrence for bodily injury and/or property damage.

Rule: WEATHER & LIGHTNING PROCEDURE

The Hyde Park Quarries Complex is monitored by a **Thor Guard** lightning prediction and warning system. This system measures atmospheric conditions for the Quarries property and surrounding area. The Thor Guard system is located on top of the Pavilion/Wings building by the Quarries Lake. When conditions reach the set threshold for potential lightning, an alarm will sound (one long blast of the sirens) and the strobe lights will begin to flash.

1. **EVERYONE on The Quarries campus must take immediate shelter**, either in cars or in the Christian Life Center (CLC) building.
2. Only when the Thor Guard system gives the 'all clear' (3 short siren blasts and the amber lights go off), may outdoor activities resume.
3. It is the responsibility of every person (including children) to comply with these steps.
4. This is a Zero Tolerance safety condition for hosting your event at The Quarries. Failure to comply is to do so at your own safety risk, and with possible expulsion from the campus and future activities.
