Bellingham Youth Baseball, Inc. provides three seasons of baseball to children ages 4 through 19, plus special needs individuals up to age 22. Our program has grown to be recognized as one of the finest programs in the area! In order to continue to maintain our high quality program, we look to partner with local businesses to assist in the financial expense of running the program.

As a sponsor of the program, you gain added visibility and support the purchase of team uniforms and equipment for the players. By having team sponsors, we can allocate other fundraisers and registrations to the upkeep of our five fields and special events. We continue to be the envy of other towns when they play on our fields and visit our concession stand.

Whether you are a new business or have been in business for years, sponsoring a team and purchasing a sign is a terrific way to advertise your business to the many families attending games or driving by the baseball fields. In addition, we promote your business on social media and through our communication with our families. We are currently hosting the Bellingham High School Varsity and Junior Varsity Baseball Teams on our fields as well, which provides even more exposure.

We hope you take this opportunity to become a part of the BYBI family and sponsor a team, event and/or sign. We sell out of our sponsorships each year, so please take advantage of this notification and sign up as soon as possible.

We are looking to finalize our sponsors by February 1, 2020. Please email your order in to kerrygfarrell@gmail.com by then and mail your check and this form filled out on both sides to the address on the back. **Please email any artwork for signs to kerrygfarrell@gmail.com.**
