

MESSAGE ABOUT PRODUCTS FROM SOAPY JOE'S:

We have worked with our manufacturer since we started selling this product in 2007 and we believe in the QUALITY of these detergents and softeners so much so that we offer a 100% satisfaction guarantee on any of the buckets we sell. The products have a great consistency and clean the clothes as good as (if not BETTER than) the high priced retail brands at the local stores. This is NOT generic soap... it's a high quality, thick concentrated detergent that works just like the higher priced brand names... at ½ the cost!
