

KATY YOUTH CRICKET

PEEWEEES - U7 - SOFTBALL

KYC Peewees Program - Where Fun Meets Cricket!

At KYC, we believe that every journey begins with a single step, or in our case, a tiny cricket ball. Our Peewees group is where it all starts for our youngest cricketers. These little champs, aged 5-7, embark on a cricket adventure that's all about fun, skill development, and making friends.

In our Peewees sessions, we prioritize the joy of the game. Through playful activities and interactive drills, we help these budding cricketers develop essential eye-hand coordination skills. They'll learn to catch & and throw the ball, and take their first steps towards mastering the art of hitting the ball and running between the wickets.

The Peewees program instills a love for the game that lasts a lifetime. It's a place where young minds are nurtured, and where cricket becomes a source of excitement and laughter. We're not just teaching cricket; we're creating memories that bring families and communities together.
