

KATY YOUTH CRICKET

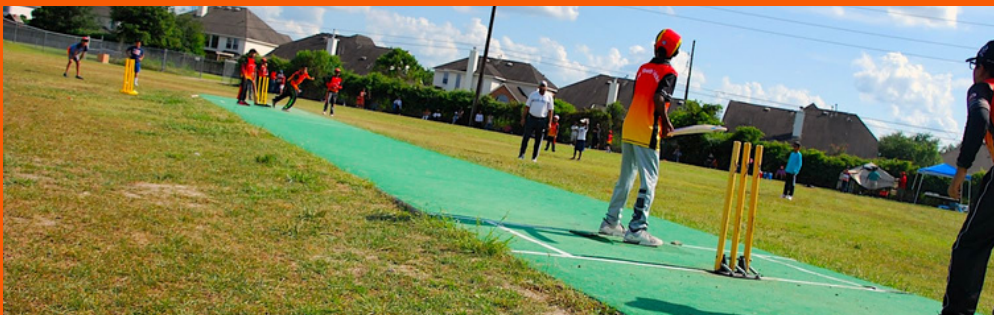

ROOKIES - U10 - SOFTBALL

KYC Rookies Program - Shaping Future Cricket Stars!

Welcome to the KYC Rookies program, where young cricket enthusiasts aged 8-10 are set to embark on a journey of skill development, teamwork, and endless possibilities on the cricket pitch.

In the Rookies sessions, we introduce these budding cricketers to more advanced aspects of the game while keeping the focus on fun and enjoyment. It's here that they begin to fine-tune their batting, bowling, and fielding techniques, laying the foundation for future success in cricket.

Our Volunteer coaches are dedicated to nurturing their passion for the sport, ensuring they build character, discipline, and a love for teamwork that extends far beyond the boundaries of the cricket field.

At KYC, we're not just teaching cricket skills; we're shaping future cricket stars. The Rookies program is where lifelong friendships are forged. Join us in celebrating their journey, and watch as they grow into remarkable cricketers.
