

KATY YOUTH CRICKET

CUBS - U11 - HARDBALL

Introducing the U11 Cubs Program - Crafting Young Cricket Stars!

In the U11 Cubs program, we transition our budding cricketers to playing with the hard leather ball, providing them with the experience and skills needed to excel in competitive cricket. Our experienced coaches focus on honing their batting, bowling, and fielding abilities, nurturing the passion for the sport that was ignited during their earlier cricket adventures.

Beyond just cricket skills, we emphasize teamwork, leadership, and game awareness, preparing them not just as cricketers but as well-rounded individuals. It's here that they'll learn the art of captaincy, strategy, field placements and match awareness.

Our Cubs U11 program isn't just about playing cricket; it's about cultivating a sense of sportsmanship, camaraderie, community, and a love for the game. We are committed to helping your child reach their fullest potential in cricket while having a fantastic time on and off the field.
