ANNOUNCEMENT

ITS SPOTLIGHT: ANDREW MASIEL, JR. PECHANGA BOARD MEMBER

ITS is honored to highlight our ITS board member from Pechanga, Andrew Masiel Jr. He is in his 14th year working at the Chámmakilawish Pechanga School. Andrew takes a lot of pride in being on the board as he states, "it allows me to assist other Sister Tribes/Bands in a positive way by reaching our collective youth via sports and other programs we offer." Andrew has enjoyed knowing that he can have a direct impact in his community and shape the youth while building a strong identity culturally, emotionally and academically. He feels very lucky to have had his education funded, so he feels that it is his duty/honor to give back in his current capacity. Andrew strongly feels, "it is in all of our best interest to have our own Tribal people in leadership positions rather than looking outside."

ITS IMPACT VIDEO

ITS is proud to release our "Impact Story" video. This video highlights the impact ITS has had on Native youth over the last 15+ year. This project was made possible by the Nike N7 Fund ([N7](#)).

ITS would like to announce and share that we have added a new sport into our program. Cross Country will be an official sport that will be offered to the ITS service area next fall in 2019! Our youth will now have the opportunity to participate in a great sport that offers many unique benefits that are different from our other sports. Cross Country will be the first ITS sport that features individual competition. All our participating tribes and organizations are encouraged to sign up their youth as there is no required number of athletes needed to join. For those coaches or volunteers that need a little extra help on how to coach and train your youth on cross country, please contact the ITS office. We are in the process of developing an outstanding coaches development program for this sport and we are excited to launch it next fall! Make sure to check out ITS social media and our Rattle for more news and updates about cross country. We look forward to offering this new sport next fall!

TRIBAL SPONSORSHIP

Tribes, independent businesses, corporations, and individuals are invited to become sponsors of ITS! Your generous support directly benefits youth by allowing Inter Tribal Sports to continue to offer outstanding athletics and enrichment programs. For more information on sponsorship opportunities, please contact the ITS office. To become a sponsor, please complete and submit the following sponsorship agreement below to the ITS office.

The ITS All Star Travel Basketball is a program designed and developed for young athletes who have the interest, commitment, and dedication to participate at a higher level of competition. Try-outs are held and players are required to commit to consistently attending practices and games. The teams are made up of athletes from a variety of communities in the ITS service area, who compete in local, regional, and national tournaments, proudly representing all of the tribal communities served by ITS.

Inter Tribal Sports, Inc., announces the 2019 **ITS Scholarship Awards Program**. Under the Program, a total of \$4,000 in scholarships will be awarded to Native American youth from the ITS service area in southern California. Graduating high school seniors or current college students attending a university, junior college, or trade school are eligible to apply.
