## 10th ANNUAL ITS GOLF TOURNAMENT FUNDRAISER:

On June 7th at the Morongo Golf Club at Tukwet Canyon, ITS held our 10th annual golf tournament fundraiser. People from all over our service area collectively came together to help celebrate and give back to a great cause. Their contributions will go back into the ITS programs which services annually over one thousand children across four different counties.

We would like to thank everyone involved, especially The Morongo Band of Mission Indians!

# SOFTBALL OPENING DAY

Our Softball Opening Day for C & D-League was on June 15, 2019 in Rincon. Youth from tribes all over southern California were all eager to start their season off by getting into games and scoring some runs. All of the athletes showed great effort in sportsmanship and had a great time. The Rez Dogg Refreshments booth was present with their infused water and snacks.

Thank you to everyone who was present and contributed to a fun-filled day!

## CAHUILLA EARTH DAY & GATHERING

On June 22nd, ITS attended the Cahuilla Earth Day and Gathering at the Cahuilla Softball Fields. We got the community moving through our fun carnival games, promoted our upcoming events, gave out snacks, and provided chilled infused water.

## SYCUAN 13TH ANNUAL IPAI-TIPAI MATAAYUM

On June 29th, ITS attended Sycuan's 13th Annual Ipai-Tipai Mataayum. We got the community moving through our fun carnival games, provided chilled infused water, and gave out free snacks.

Throughout the day, we had kids come to our booth to spin the wheel and do their fitness activity. Sycuan also had many activities going on throughout the day such as tug of war, egg racing, and sack racing. Thank you to everyone who stopped by our booth. We look forward to attending this event next year!

# ANNOUNCEMENTS

## OUTREACH CHALLENGE

ITS is challenging all tribes to any ITS sport for an ITS Staff vs Youth game. The prize is a pizza party for everyone who accepts the challenge and wins!

ITS would like to announce and share that we have added a new sport into our program. Cross Country will be an official sport that will be offered to the ITS service area in August 2019!

Our youth will now have the opportunity to participate in a great sport that offers many unique benefits that are different from our other sports. Cross Country will be the first ITS sport that features individual competition. All our participating tribes and organizations are encouraged to sign up their youth as there is no required number of athletes needed to join. For those coaches or volunteers that need a little extra help on how to coach and train your youth on cross country, please contact the ITS office. We are in the process of developing an outstanding coaches development program for this sport and we are excited to launch it next fall!

Make sure to check out ITS social media and our Rattle for more news and updates about cross country. We look forward to offering this new sport next fall!
