## PALA END OF THE YEAR CERMONY

On August 8th, the ITS team helped out Pala with their softball end of the year ceremony. The day consisted of the ITS staff participating in a parents/coaches vs players softball game.

## Barona Gathering

On August 10th, ITS attended the Barona Gathering for the second year in a row. This event allowed ITS to once again teach the traditional game of Shinny. Shinny, which was historically played by Native Americans, resembles field hockey, where two teams of variable numbers of players tried to pass a ball into the opponents' goal using curved sticks.

Thank you to everyone who stopped by the ITS booth and we look forward to attending this event again next year.

## RINCON FIESTA

On August 16th & 17th, ITS attended the Rincon Fiesta's to assist with scorekeeping with their basketball tournament.

# CROSS COUNTRY CAMP

The cross country season kicked off with camp facilitated by the California State University, San Bernardino women's cross country team on Saturday, August 24th on the Pala Reservation.

The camp had over 20 youth from multiple reservations. The camp consisted of a brief warm-up, a scavenger hunt, a wellness relay race, and a Q&A session on what the campers learned. At the conclusion of the camp, lunch was dispersed to all who attended.

We would like to thank The Pala Band of Mission Indians for hosting this event!

## GROUP OUTING: LA SPARKS

On August 25th, Santa Rosa represented ITS and attended The Los Angeles Sparks game against The Connecticut Suns. The kids had a blast as they got to watch basketball be played at the highest level. The game ended with The Los Angeles Sparks winning the game 84 to 72.

## PARTNERSHIP: LEGACY LACES

ITS is proud to announce our new partnership with Legacy Laces!

Legacy Laces believes that having the opportunity to play team sports can change lives. Their mission is to get gear into the hands of kids who are sidelined or struggling to stay involved. They accomplish this goal by providing new, gently used, outgrown and/or excess sports equipment they receive from their generous donors to underprivileged kids lacking the resources necessary to participate in team sports.

---

## OUTREACH CHALLENGE

ITS is challenging all tribes to any ITS sport for an ITS Staff vs Youth game. The prize is a pizza party for everyone who accepts the challenge and wins!

---
