**Locations:** Carolina FC Complex or McCracken Middle School

**Staff:** Staff will include CFC Director of Youth Player Development, Amer Resumovic, and CFC Staff

- The Carolina FC Youth Development Program is an exciting soccer program which ensures every child has fun while developing soccer and physical literacy skills. YDP is a progression from local recreation programs towards the CFC academy and select programs. The YDP program uses soccer as a vehicle to develop social skills and core values such as sportsmanship, teamwork, fair play and respect.
