Carolina FC is a 501 (c)(3) charitable organization which offers soccer instruction and competition for boys and girls ages 3 – 18. Established in 1981, the soccer club has grown and evolved as soccer has increased in popularity in the US and South Carolina. CFC is affiliated with US Youth Soccer through the South Carolina Youth Soccer Association.

Proven Success:

CFC players and teams demonstrate consistent success within statewide and regional leagues. They also proudly represent CFC on their high school teams. Many players have gone on to play college soccer at all levels from DI to NAIA with CFC alumni found on the rosters of USC, Winthrop, Lenior-Rhyne, Anderson University, SMC, UNC – Greensboro, USC – Upstate, Limestone, Washington and Lee, Wofford, Converse, Lander, North Greenville University, BJU, Erskine and others.

Why are we different?

At Carolina FC we pride ourselves on our professionalism, the care we show to our players and our families, and the respect afforded to each and every player who enters the CFC Family. We want each player to enjoy their time with the club, be challenged in a positive coaching environment and improve themselves as players and as people as they progress through the CFC player development pathway.

The Carolina FC Academy and Select Programs: Introduction

The Carolina FC Academy and Select programs are for young players who aspire to achieve excellence in their game. Our emphasis is player-centric with development the number one priority. We focus on the technical, tactical, physical and psychological development of players on a pathway towards maximizing their full potential.

The winning tradition that has been established at Carolina FC is based on each player improving significantly over the time they are with the club. All players will conduct themselves at all times in accordance with the Carolina FC Academy and Select player code of conduct and all players will be treated as equals.

The CFC Coaching staff will be coaches of positive significance in our players' lives. Our coaches will inspire and motivate our players in an atmosphere of respect and honesty versus fear and intimidation and players will be encouraged to think for themselves. Success is achieved through building good habits and having players be accountable for their own development.

Our Academy and Select Programs are divided into three distinct phases

- Academy Program: 2014 - 2010
- Junior Select Program: 2009 - 2008
- Senior Select Program: 2007 – 2003

The Carolina FC Academy Program: Birth Years: 2014 - 2010

The Academy Program is designed for U8 - U12 players as a bridge between the Recreational Program and Select Program. It is ideal for the young player who is taking particular interest in the sport of soccer and appears to be ready for a higher level of training as well as increased expectations. The Academy Program is primarily focused on individual player development; instead of team results. All academy players are trained by a professionally licensed coach. All academy teams will play in the CESA Academy League sanctioned through South Carolina Youth Soccer Association, or equivalent competitive level.

The Carolina FC Select Program: Birth Years: 2009 – 2003

The CFC Select Program offers a tailored curriculum for our U13 – U19 teams and will provide year-round opportunities for 2009 and 2008 (Junior Select) birth years while 2007 to 2003 (Senior Select) will play fall-only due to high school commitments in the spring season. The Carolina FC Select Program is split as a tiered system with players split dependent on ability, attitude, commitment and what CFC believes is the best fit for the player's development. Teams are split into the following tiers

1. Elite
2. Blue
3. Gold
4. Silver

Each tier continues to develop players through the four pillars of player development: technical, tactical, physical and psychological. There will be less movement between each tier of the program however, the CFC staff reserve the right to move players up and down depending on what they feel is best for the individual player's development.

All teams will compete in leagues under South Carolina Youth Soccer with the addition of state and regional leagues/events depending on the level of the group. Teams will compete in various tournaments throughout the year with all players expected to take part. Teams will generally compete in 2 to 4 tournaments per year.

Tournament Fees

Over the course of the year your team will compete in various tournaments that are paid for in your yearly tuition. Please note that any additional tournament or college showcase events will incur an additional fee. This tournament fee varies depending on the amount of additional events your team participates in, the cost of those events and the amount of travel.

The only time CFC will adjust a tournament fee is when the coach decides to leave a player out of a tournament squad. Players electing to not participate in a tournament will not receive a refund of any kind. Travel expenses for players are not included in program cost.

Carolina FC Director of Youth Player Development	Colin Francis	francica@email.uscupstate.edu
Carolina FC Director of Summer Elite Program	Nico Luque	luquecn@gmail.com

Carolina FC has implemented a program from a communication perspective called the C.A.R.E. initiative.

C	Communication
A	Accountability
R	Respect
E	Exceed Expectations

Head coaches are expected to communicate effectively with each and every player and family throughout the season to ensure there is always clarity in the decision-making process and organization if any last minute changes should arise.

Head coaches will be communicating regularly with parents and players on the team. The protocol will be

Weekly Emails:	Coaches should send a minimum of 1 email per week to their team during the season.
Pre-Season Meeting:	Needs to be attended by players and at least 1 parent.
Monthly Team Meeting:	Needs to be attended by players and at least 1 parent.

Player Evaluations:	End of season individual player evaluations.

If a parent wishes to discuss a soccer related question with the Head Coach, they should arrange a specific time to speak on the phone or meet with the Head Coach in person. It is against club policy for a parent to approach a Head Coach directly after a game. Generally, a 24 hour grace period should be observed.
