Interested in free or half price registration fees? Visit www.carolinafc.net for more information on our Play It Forward program!

The Carolina FC Middle and High School Development Programs are designed to prepare players to develop and progress towards the CFC academy and select programs and compete for spots on their middle school and high school teams.

Our development program is a progression from traditional recreation programs. The program format ensures all players are actively engaged and involved throughout every one-hour and fifteen-minute session. All sessions are developmentally, age & stage appropriate through the use of both small and full-sided games and activities. Professionally licensed coaches will run sessions to ensure players can reach their best level!

* Visit www.carolinafc.net for more information on all of our program offerings!

* Click the "Register" button in the top right corner of our website to get signed up today.

* Questions? Please feel free to contact our Director of Youth Development, Colin Francis, at c.francis5@icloud.com.

Please note that our camp schedules are all subject to change based upon the direction from United States Youth Soccer, South Carolina Youth Soccer, federal, state and local government in regards to COVID-19. The safety of our players, coaches and parents is our top priority. Any camps that are cancelled due to the pandemic will be fully refunded.
