Financial Assistance Handbook

Work-To-Play Program

The success of Carolina FC’s Financial Assistance program is based on approved applicants giving back volunteer time to the association. The number of hours required to work to fully cover the amount of aid depends on the amount of the assistance awarded. Players may qualify for **up to ½ total assistance** for the program fees. Volunteer hours are calculated at **\$10 per hour**.

Registration fees are not part of the financial assistance program. Registration fees are due at the time of accepting a position on the team.

Please check the box below that applies to the financial need of your player.

- Academy / Jr. Select – Fall and Spring Season (U8-U14)
** Parents MUST accompany player or complete volunteer hours for player*
