To Whom It May Concern,

I am writing this letter of reference for Bob Landis who most recently served as the varsity volleyball coach at Park View High School. Mr. Landis's skills as an excellent volleyball coach were displayed during his tenure here at Park View High School. Coach Landis provided the team a positive social media profile while tracking individual players' game records so the team both collectively and individually could see growth and areas of needed improvements. Not only did he video tape games, he also taped all practices so he could hone his own coaching skills and those of his assistants.

Mr. Landis's passion for coaching volleyball is infectious and will benefit the athletics program at your school. If you have any questions, please feel free to contact me directly.

Regards,
