2023 CALL All Star Information Sheet

Little League All Stars is a wonderful experience for many young baseball players.

There are several levels of All Star Teams offered in Chandler American Little League, all of which are formed through the selection of team managers at the respective division level. The juniors team will be selected from players who competed in the juniors division this year. Two to three other teams from majors and minors divisions will be created based on the number of players available and their skill level.

Because of rules from Little League International the All Star teams will be announced after May 15th. Coaches will have full authority over the practice schedule. All players that commit to playing All Stars must commit to attending every practice. Please make sure to note any time you may miss on the All Star application.

All Stars is a competitive baseball experience. Players will practice for 2 hours per day, 5- 6 days per week leading up to the start of the All Star tournament. This will allow the coaches and players to build the best team they can and prepare the kids for the challenges they will face in the tournament. Coaches will be allowed to give playing time as they see fit. The league asks all parents to support the coaches on this to help build a strong team environment. If your child is interested in participating in our summer All Star program, please take these dates into consideration when making your summer vacation plans.

If you have any questions about All Stars or any part of the process please contact chandleramericanlittleleague@gmail.com
