Dear Neighbor,

Chandler American Little League (CALL) is the official Little League of your neighborhood and surrounding community. We are a 501(c)(3) non-profit organization, administered entirely by volunteers and fully chartered under Little League International. We are based at Nozomi Field (Kyrene Rd. and 202 loop).

For over 30 years, CALL has provided a fun and positive environment for building community and teaching kids the values upon which Little League is founded: **character, courage, and loyalty**. As an official Little League Organization, we strive to develop strong citizens—not just athletes—through the fundamentals, teamwork, and life lessons of baseball.

Our organization operates entirely through funds raised by sponsorships, fundraisers, and registration fees, which we maintain at an affordable level for families. We seek your support and partnership as we work to rebuild our league, and to offset our growing expenses due to inflation and necessary field upgrades.

We write now to request your support for the upcoming 2024 baseball season:

- Sponsorship at any level for equipment, renovations, and other costs
- In-kind donations such as tangible goods and services
- Items/gift cards that can be auctioned during fundraisers

For your convenience, we have included a sponsorship form, which outlines the benefits to your business for each sponsorship level. As well, our **Tax ID#: 86-0717260**.

We hope we can count you as a community partner to help us develop our youth and strengthen our community through the great American pastime of Little League baseball.

Thank you for your time and consideration.

Sincerely,

Jessica Rogers
President
Chandler American Little League
