

2017 EAA / TR MASTER FIELD SCHEDULE (11's, 12's & 13's)

 means slot is open. After draft will mean a practice is scheduled.

 means a game is scheduled.

 means slot is currently reserved OR being used by a different age group.

 means a tournament is scheduled

 means a team is looking to trade this slot. Contact team!

**** One (1) hour and fifty (50) minute drop dead time limit on all games! Slot times can not be adjusted!**

****** If you are weathered out of a game, reschedule it in an open slot. Let me know as soon as possible and I will get it on the master schedule. Don't wait as other teams will be looking to do the same.

****** If you are weathered out of a practice, reschedule it in an open slot. Let me know and I will get it on the master calendar.

****** We need to work together. You have the contact list. (**Scroll down**) If you can only reschedule a weathered out game on a date another team has a practice, please call that coach and work something out. **Games are the priority.** Let's work together so all teams are able to get their home games in if possible. Let me know!

****** If you are not going to use a slot, let me know so I can open it up for another team. **If you have a game or practice scheduled and you decide to cancel, it is most important that you text ?? at ?? and let him know as soon as possible. If it is a game he can cancel workers and find another project to do instead of prepping your field.**

****** Please double check the master calendar. I will keep it updated..
