

## **2023 Seaview Hit-A-Thon**

### **Purpose**

The Hit-A-Thon is Seaview's largest fundraiser. Funds raised are used to maintain and improve our facilities. Past improvements included the addition of our batting cages, shade screens over dugouts, new score booths and more.

This season we have upgraded our T-Ball field, added additional batting cages and more! We also have ongoing capital improvement needs across all fields. The capital improvements will serve to enhance the Seaview baseball experience, field maintenance, and more importantly, keep our children and members safe.

Our fundraising goal is \$70,000
