

# NATIONAL LITTLE LEAGUE OF CHINO, INC.

A Non-Profit Organization Serving the Youth of Our Community

Chino National Little League invites you to partner with us in providing safe outdoor baseball training and exercise for children during the upcoming 2021 Spring Season.

As we all know, the need for children to get outside to exercise and interact with other children their age is an important part of their mental and physical wellbeing, and without the ability to attend school, outdoor activity is more important than ever.

Although COVID-19 restrictions do not currently allow for baseball games, we are working hard to provide high quality baseball training, drills, exercise and more for children ages 4 through 14 this March through May while adhering to the local COVID-19 guidelines, providing a safe environment for children and youth to gain baseball experience and a love for the game.

Due to this irregular upcoming baseball season combined with the recent 2020 Spring Season and 2020 Winter Season (which were both cancelled due to COVID-19), we have been unable to raise the funds that we would normally throughout the year.

We are asking for your support to assist us in meeting our ongoing monthly and annual expenses (such as field maintenance, equipment, licensing, insurance, and much more).

Your partnering with the Chino National Little League will allow us to provide high quality sports programs to the children and youth in our community.

During COVID-19 Chino National Little League has continued to offer baseball "clinics" for FREE, and throughout 2021 we will continue to offer such clinics at a nominal cost to the player to ensure that they can remain active and healthy.

However, this will not cover our monthly and annual expenses so I want to ask if you will please partner with us during this challenging time by making a donation to the Chino National Little League.

This will bridge the gap that we are experiencing right now while we are unable to have our player hosted fund raisers and while we are unable to collect our normal dues from our players which makes up a large portion of our annual budget.

We would appreciate your consideration of partnering with the Chino National Little league this year as a sponsor. As a sponsor you WILL receive recognition throughout this year.

Please see the attached form for more information.

We are grateful for your support.

Thank you,

Cesar De La Rosa

CNLL President
