Initial each box below to acknowledge;

_____ I (or a member of my family) will be required to volunteer time to the league during the season as directed by the board.

_____ I understand that I will volunteer at a rate of \$10.00 per hour to satisfy the financial assistance amount to cover the registration fee. Example: If registration fee is \$100.00 then 10 hours of volunteer time is required.

_____ I understand that this time is in addition to the required team concession duty.

_____ I understand that the league will try to schedule my volunteer time when my child is not playing but will not guarantee it.

RRGSL has limited funds available to help players with registration fees. This program is available to help families in a temporary need and is reviewed on a season-to-season basis against other demands on the league funds. Although the league would like to help everyone, it is impossible to meet all the demands on this fund. This program has been started to reinforce in the youth the important values of earning the assistance. The league believes your family will reap great rewards by honoring this agreement. This work agreement may be fulfilled by any or all members of your family. It is understood that you will be contacted to assist. You should know that the degree to which you honor this agreement will be part of the application review in future seasons. Financial assistance may be requested for recreational teams only.

I certify the information listed on this form is true and correct.
