

Refund Policy

The Round Rock Sertoma Girls Softball League ("RRSGSL") does not refund fees paid for registration or team fees after the draft except in the following cases:

- I. Season ending injury (defined as an injury, which would remove the participant from further play for the balance of the season).
 - II. Health concerns of the participant with a doctors order to refrain from sporting activities.
- If a participant is expelled or suspended for discipline reasons, all fees are forfeited.
 - Voluntary withdrawal of any participant does not entitle the participant to a refund.

Registration Fees Policy:

RRSGSL will carefully examine the costs of all fees and expenses prior to setting registration fees. These fees should be reasonable and best reflect the total true costs of operating the program.
