

CONSENT

For Release of Athlete Photograph and Other Information

The purpose of this parental consent form is to request permission for your athlete's photo/image and/or some personally identifiable information to be published on the Voorhees Jr. Wrestling website, Facebook and/or Instagram pages. The program, Voorhees Jr. Wrestling, would like to share news about your athlete's achievements and celebrate the Jr. Vikings program with the entire community. Throughout the year we would like to post team and/or individual photographs of the athletes and coaches from games, and other events; however, we can only use your athlete's photo with your consent.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a website since global access to the Internet does not allow us to control who may access such information. While these dangers have always existed, we want to acknowledge the achievements of your child in the safest way possible on our website. Pursuant to law, we will not post photographs or complete identifiable information on our website, or distribute to any third party, without prior written consent from you as parent or guardian.

With consent, an athlete's photograph, name, and/or grade may be provided, based on the option chosen below. Under no circumstances will the Voorhees Jr. Wrestling Program release personally identifiable information about an athlete other than photographs/images, name, and/or grade. Please read the following choices carefully, sign below, and return this form.
