Gasnerhoris@gmail.com

Information: My name is Gasner. I immigrated to the US from Haiti in 2003. I played varsity soccer at Atlantic High School. I also had the privilege of playing at college level at Mountain State University, a Division 1 NAIA school.

Coaching Resume: Last year marked the beginning of my coaching career. I had the privilege of working with a dedicated group of young athletes who displayed exceptional talent and enthusiasm for the sport. We built a strong team and remained undefeated in our final nine matches. During the TFL Spring season, despite facing tough competition, we finished as runners-up, reinforcing my passion for coaching and my commitment to developing young athletes.
