---

Main Event is the place to get your company and family FUN on, thanks to our distinctive “Eat. Bowl. Play.” experience. In fact, it’s nearly 50,000-square-foot of pure FUN. We offer 22 state-of-the-art bowling lanes, each with unique technology and luxury seating, laser tag, a gravity rope course & zip line, billiards, shuffleboard and a games gallery featuring nearly 150 of the latest interactive and virtual video games.

The center also offers fully equipped private meeting spaces with the latest audio-visual technology, full-service catering, free Wi-Fi and everything else essential to hosting corporate meetings & events, team-building exercises, holiday parties and other gatherings both large and small. We have an on-site sales team ready to help you.

Main Event offers a chef-inspired food menu loaded with delicious shareables like wings and loaded nachos, to oven-baked artisan pizza, to the full-service American grill inside each location. There’s something for everyone. We also offer handcrafted cocktails in a high-energy sports bar surrounded by big screen TVs. It’s a FUN place to come watch the game.
