

# KIRKWOOD SOCCER CLUB

## Special Announcement

Please help us congratulate the following staff members on their new roles and responsibilities at DEFC Kirkwood:

### Adam Flanigan – Director of Operations

Adam will be taking on the overall responsibility of club day to day operations, facility needs, financial management, and partner interactions. Adam has extensive experience in our club's operational needs and is one of our longest serving staff members at Kirkwood. Adam is also an accomplished coach with KSC, DEFC, as well as the Philadelphia Union Pre-Academy program.

### Diego Ruiz – Associate Director of Operations

Diego will be assuming the role of Associate Director to help oversee our Representative Travel Program, Liga Unida, Business Development, Facility Rentals, and Community Outreach. Diego has proven to be a key force in Delaware soccer both from a program development side as well as coaching at all levels of teams from club to high school.

### Tara O'Brien – Account Executive/Girls Representative Program Director

We welcome Tara, who will be directly responsible for our Girls Representative Program operations. This role brought back as a direct result of member feedback as well as to answer the needed attention the girls program deserves. Tara will also be responsible for the Recreational Program Operations, Marketing and Business Development, as well as our in-house Tournament business. Her extensive coaching experience and her Masters in Business Administration, will help fill this role to its full intentions.

With all these changes, we also bid farewell to **Joe Schorah**, our previous Director of Operations. We wish Joe good luck and thank him for his dedication to our club over the years.

We look forward to working with the team, our members, and business partners to help grow soccer in Delaware and continue to be one of the best places for kids of all ages to play soccer.

Congratulations to all our staff in their new roles!
