Dear Potential Sponsor,

Enfield Little League is a long standing member of Little League International. Enfield Little League follows the founding core mission "to promote, develop, supervise, and voluntarily assist in all lawful ways, the interest of those who will participate in Little League Baseball".

Through proper guidance and exemplary leadership, the Little League program assists youth in developing the qualities of citizenship, discipline, teamwork and physical well-being. By espousing the virtues of character, courage and loyalty, the Little League Baseball program is designed to develop superior citizens rather than superior athletes.

Enfield Little League's board of directors is committed to our youth and the further development of our town's baseball. We are reaching out to all local businesses for a commitment to support our mission of creating a better community. As a result of past commitments by our community and the work of volunteers, Enfield Little League is able to offer a free baseball program to disabled youth and low cost summer and fall travel baseball to all those interested. We have also installed lighting at our Powder Hollow Little League field for after dark play.

The Enfield Little League board of directors and parents would like to expand on what our town offers, enabling us to compete on both a regional and national level. In order to further our mission we need your support. We are a C3 charity origination are Tax ID number is 06-1591224. Please find attached a list of sponsorship opportunities. Whether you choose to sponsor a team or purchase signage at one of our fields, the children will benefit from your generosity.

On behalf of our players, we thank you for your continued support.
