Weekday practice time is 5:30 – 7:30pm except where 2 teams are listed or as indicated.

This is a schedule of available times at the Fields of Dreams that Managers can choose to use.

Just because time is scheduled **DOES NOT** mean it will be used.

Please contact your Manager for your time and place for practices.

ALSO: At this time each year, some teams have not yet been formed or the drafts completed.

So you may have not been contacted yet about which team your child is on.
