

WASHINGTON BOROUGH YOUTH BASEBALL

P.O.BOX 342

WASHINGTON, NEW JERSEY 07882

Dear Friends of Baseball,

The 2016 Washington Borough Youth Baseball (WBYB) Season will begin at the break of spring and we are all pushing for another productive season for our community's youth.

Our association is comprised entirely of volunteers and it is our goal to ensure that our children receive the finest safety, instruction & training that we can provide. All funds generated from donations, sponsorships and fund raisers are employed 100% within the WBYB program.

Your sponsorship will, as always, help us purchase new playing equipment, improve fields, replace broken rakes, upgrade bases, and buy fresh clay for the infields. It also improves safety by repairing worn fences and back stops, and replacing missing fence caps. In addition, your support lets us provide advanced programs such as clinics, tournaments, and travel baseball, all geared toward growing the kids' love of the game while preparing them for the next level. Lastly, the funds will help to offset the rising cost of medical and liability insurance and coach's certification / training.

Our volunteers continue to assist the organization by donating their time to help minimize costs; however, price increases from many areas always threaten our program. The assistance from local businesses is a large factor in the success of the organization and we are counting on your support this season

Included in your sponsorship will be a 3'x 5' company sign(your logo) displayed at Steinhardt Field during our season, and your logo displayed on our website with a link to your business. Included with the Friend of the Program sponsorship is your business logo and link on our website.

2016 Sponsorship Program Fees:

Sign Sponsorship	\$250
Friends of WBYB.....	\$100

We understand that not all businesses wish to be full fledged sponsors. The WBYB would like to present you the opportunity to assist our communities' youth to succeed through a monetary donation. All donations are greatly appreciated and will be distributed equally across our program. This is a difficult time financially for all and we want to guarantee a safe and healthy organization for our youngsters.

The Washington Borough Youth Baseball organization would again like to thank you for your support in helping us provide a safe and healthy environment for the youth of the community.

We would appreciate if all fees could be paid by February 28, 2016 or sooner if possible.
