

2021 LLSV Little League All-Star Commitment

By signing and submitting this form, I certify that we will meet the listed requirements. While my All-Star Team may not advance through District, State or Regional tournaments, I agree to not schedule other activities that will interfere with my player's ability to attend practices and games during the tournament period. If we have something planned already, we will notify the coach immediately.

We also understand that being part of an All-Star team is a large commitment, with no guarantee of playing time or position. These decisions are solely at the discretion of the All-Star Manager. Some players who played most innings during the regular season, may be asked to play a different role on the All-Star team. This may include playing a different position, participating in fewer innings, and/or having less at bats. We also understand the minimum play time could be **as little as 1 at bat, with no play time in the field.** The All-Star player must agree to play the position the Manager assigns and to do so with a positive attitude at all times.
