Canton Lions Cheerleading Teen Coach Application

Being a Teen Coach is an exciting way to be involved in sports but it isn't easy! Some coaches are overwhelmed by the responsibilities involving making daily practice plans, preparing for Homecoming and Cheer Rally, while at the same time, helping athletes through their early cheerleading experiences.

Experienced Coaches are not surprised, because they know coaching cheer requires more than bringing the cheers and putting routines together. It involves preparing kids physically and mentally, teaching proper techniques, teamwork, to compete effectively, fairly, and safely in cheerleading and providing them a positive role model.

Canton Lions is well aware your education comes first. We only ask that you are honest and open if this commitment becomes overwhelming and interferes. Please talk to the Cheer Director right away and we can talk thru the next steps.
