

Registration for Veterans opens on January 6, 2020! Go to www.lionsfootballcheer.com, login and get started for the 2020 season! Have friends interested in joining the Lions? Let them know they can register on March 1st.

Registration Paperwork

Required registration paperwork, including photos, will not be accepted electronically, e.g., via email or text. Instead, you must turn in paperwork via U.S. mail to: Canton Lions Jr. Football Club, PO Box 871336, Canton, MI 48187 -- or hand in paperwork directly to the football unit director or cheerleading unit director, e.g., at a monthly parents meeting (second Tuesday of each month).

Only the football unit director and the cheerleading unit director are collecting paperwork. Please do not attempt to turn in paperwork to anyone else.

The paperwork required from veterans is:

- **Concussion Form** signed by parent/guardian AND athlete. Only the page with the signatures is required to turn in.
- **Two copies of a current photo.**
 - You may turn in two copies of the same photo.
 - Please submit a photo that clearly shows your athlete's face.
 - Please write your athlete's name on the back of both photos.
- **Canton Lions Health Form (or MHSAA Form for Middle School)** signed by both a physician and a parent/guardian. The health form must be for a current physical. If your athlete's physical expires while the season is in session, you must submit a new signed health form prior to expiration.
- **Two Copies of Athlete's Birth Certificate** (New 2020 Athletes Only - Veterans we have on file)

The forms can be found on the "forms and fliers" page of the club website, www.lionsfootballcheer.com.

You can begin turning in forms at any time. The sooner, the better!

Please be sure to make a copy of any forms you turn in, for your files. If you have any questions, please email cantonlionssecretary@gmail.com, and/or email the unit director directly: cantonlionsunitdirector@yahoo.com for football or cantonlionscheerdirector@gmail.com for cheerleading.
