

Morgantown Pony Baseball Sponsor Request Letter

It's that time of year again! Morgantown Pony's spring baseball registrations are underway, and we need your help! Our league serves over 400 players age 3-15 each year. We work hard to develop the fundamentals of youth baseball while promoting teamwork and sportsmanship.

As a nonprofit organization, we rely on the community coming together to financially support our organization. The funds raised from sponsorships help us to purchase uniforms, equipment, provide field maintenance, and cover various other costs associated with a quality program (including a scholarship program for players that do not have the ability to pay to play). All sponsorship checks should be made payable to "Morgantown Baseball". At this time, we invite you to look over the attached 2022 Sponsorship options to consider a donation that best fits your budget and interest.

Thank you in advance for your support of Morgantown Pony Baseball.
