- All parents will respect themselves as well as players, parents, referees and opponents at all times.
- All parents will refrain from coaching instruction during games or practices.
- All parents are encouraged to cheer for their team and applaud good play from the opposing team.

The level of play also involves much more contact between players as they play at the higher competitive level. Should you have any concerns please address your coach or the Arizona FC staff. Do not address the referee(s) during games as this may result in foul against your team or you being asked to leave the field of play.
- All parents will realize that all players deserve to play in an environment that is free of drugs, tobacco, and alcohol; and expect everyone to refrain from their use at all Arizona FC events.
- All parents will make sure players arrive at proper times for practices and games. (See player code of conduct)

- All parents will create a positive environment and will encourage players to work towards being a better player and person. (*this includes their own player before, during and after the games and practices)
- All parents will report any injury or illness to the coach or proper staff of Arizona FC.
- All parents will understand that their team is not the only ones playing in matches and will understand that parents or fans from the other team(s) will be attending as well and will conduct themselves in a professional manner while representing Arizona FC.
- All parents will understand that instigation of violence or injury to their player toward any other player will result in immediate removal of that parent and possible banishment from games and any club activities regardless if player follows through with said act.
