Any team that does not have a representatives show for their team-assigned duties could result in the Head Coach losing his/her coaching rights for the remainder of the season and/or the full next season.

Team Purchases – Any purchase for a team must be approved by a League Official. For example, if a coach or parent asks for, or suggests, that parents purchase practice jerseys, **all** team members must be provided the same practice jersey regardless of the parents' agreement to purchase the jersey.

Uniforms – HOYFL participants must wear the league furnished uniform (jersey) for all games.

Coach Suspensions – Coaches will be suspended for any behavior or actions in direct violation of the HOYFL Coaches Code of Conduct, any League rules or requirements, or any other behavior or actions found to be in detriment to the HOYFL and/or the children served by the league. Suspensions can be administered by any League Assistant Commissioner, Commissioner, Assistant Director, or Director of the League. Minimum suspensions will be for a period of **two weeks** where **NO** contact with the team is permitted – either at practices or games. During the time of suspension, any actions or attempts to coach at practice or games (verbal or non-verbal communication) will result in a suspension for the remainder of the season.

Appeals against any suspension can be made in writing to the Director who will present the appeal to the HOYFL Mini-Board. Appeals will be decided by the Mini-Board and will be presented at the next meeting following the suspension. If a decision is rendered by the Mini-Board the coach will be notified in writing (via email) of the findings. If a coach is suspended for an entire year, they may petition the league to be reinstated two years after the season the suspension took place. HOYFL Mini-Board meetings are scheduled at least once a month. If a special meeting is required to review any appeals or other urgent league business at least three (3) days written notice is required.

Player Suspensions – A player ejected from a game, for any reason, will not be permitted to practice the following week and will be suspended from the next league game. In addition, players may be suspended if their behavior continually disrupts practices, games or league events.

- 1) A detailed description of the incident(s) which resulted in the suspension
- 2) Reason why the parent feels the participant should be reinstated

The HOYFL Mini-Board will review the application for reinstatement and vote based on the merits of the petition. During the review process parents/guardians may be asked to attend a HOYFL Mini-Board meeting in order to discuss the behavior of the player. Once the vote is completed and a decision is announced the player in question must wait a period of one (1) year before reapplying for reinstatement if denied.

Failure to attend the meetings without proper request for a representative to attend on behalf of the Head Coach may result in that coach losing his/her privilege to coach for the season.
- 2) No Coach is allowed to pull his team off the field and stop play for any reason whatsoever. Coaches removing their teams from the field shall have the game forfeited, shall be suspended for the remainder of the season, and any other penalty as sanctioned by the HOYFL

- 3) All Coaches and players will, in the interest of GOOD SPORTSMANSHIP, shake hands with the opposing team and coaching staff at the end of the game.
- 4) Coaches conduct shall be governed by the following:
 - A) Coaches shall not engage in any extensive physical contact with players.
 - B) Coaches shall not use foul or abusive language.
 - C) Coaches shall not use tobacco products during practice, games and at league functions.
 - D) Coaches shall not give players instructions that are contrary to league rules.
 - E) Coaches will address officials in a properly courteous manner. (Likewise, officials will address coaches in a properly courteous manner also.)

This would include any device that is not paper, pencil, pen, and/or memory. On field use of any electronic or digital device is prohibited during any game or scrimmage. A two-game suspension will be given to the Head Coach for such a violation on the first offense, season suspension for a subsequent violation.
- 7) Teams will be scheduled to assist with the cleaning of the HS football stadiums. Any failure of a team to attend when scheduled could result in the Head Coach losing his/her coaching rights for the remainder of the season and/or the full next season.

- 8) As Coaches are recognized as League Representatives, whether they are on the field or off, the League expects that they represent themselves and the League wherever they are and at all times. If actions or behavior that is unbecoming of a youth coach are brought to the attention of the HOYFL Mini-Board, the League reserves the right to ask for the resignation and/or removal of the individual as a coach.

The League regards coaching youth as a privilege and any HOYFL Mini-Board member may ask that a Coach not be asked to return the following season, or be asked to step down from their position at any time throughout the year (pre-season, season, post-season, etc.).

Any HOYFL Mini-Board member can ask for a discussion and/or a vote by the voting members of the Mini-Board. A majority vote will then determine the status of the Coach in question.

The Commissioner of the applicable Division will be responsible for informing the Coach that the HOYFL has decided not to ask them to return for the upcoming season.

Generally, 1st and 2nd graders play in the Freshman Division, 3rd and 4th graders play in the Junior Division, and 5th and 6th graders shall play in the Senior Division. Other factors that could determine placement include maturity levels, special needs, experience, age, etc. A Commissioner may place the participant within one (1) year and no more than two (2) years of the written age requirements for the HOYF Divisions at their discretion Exception Rule - Age is taken into consideration over weight.

Section 4 EQUIPMENT

- 1) All players **MUST** always wear protective gear while engaged in contact play – including practice sessions. This shall include helmet, shoulder pads, football pants (with proper knee, thigh, hip, and tail pads) and a mouth guard. Athletic supporters are strongly recommended. Other protection, such as rib pads and arm pads are also permissible if approved in advance by the HOYFL.

No steel, removable, or molded cleats containing metal are permitted. Participants found to be in violation of the rule will not be permitted to play until league-approved footwear is worn. If participant and/or coaching staff is found to be negligent or is known to have repeated issue with this subject, a suspension can be issued to the participant and/or the Head Coach for such a violation on the first offense and up to, and including, a season suspension (subject to the review of the HOYFL Mini-Board).
- 3) Team uniforms shall not vary from the League provided game jerseys. Teams may use either league provided helmet decals or may supply team specific helmet decals. These decals will not be provided by the league and must be provided to each player regardless of willingness, or ability to pay for specific team decals. Players are required to wear the League furnished game jersey and the player furnished solid, one-color game pants **NOTE:** All players on a team must wear the same color game pants. Any alteration of the uniform (jersey and pants) will result in the removal of the participant. The participant will be permitted to return to the game when and if they are able to meet the League requirement of the uniform. If participant and/or coaching staff is found to be negligent or is known to have repeated issue regarding uniforms, a suspension can be issued to the participant and/or Head Coach for such a violation on the first offense and up to, and including, a season suspension (subject to review by the HOYFL MiniBoard).

Failure to do so will result in a five (5) yard dead ball penalty and the participant will be declared ineligible until they are fitted with the proper equipment. Participants with a special mouthpiece must report any special needs to the Referee prior to the start of every game. **NOTE:** Ohio High School Rules do not allow clear or white mouthpieces. All participants will be required to wear their mouthpiece during practices and games.
- 5) From time to time, games will be scheduled between teams with like-colored jerseys. In these cases, cover-ups furnished by the League will be worn by the home team. The use of cover-ups will be decided by the Referees prior to kick off or the start of the game. This is not for debate by either team or HOYFL Commissioner and/or Official, rather it is at the sole discretion of the

Referees. If a Coach argues with an Official about the judgment, they will be penalized for unsportsmanlike conduct and a penalty will be assessed to the Head Coach and marked off at the beginning of the game. NOTE: Cover-ups must be returned to the appropriate commissioner on duty at the field immediately following the game.

- 6) The HOYFL furnishes shoulder pads and helmets to all players. If a player chooses to supply their own helmet or shoulder pads, the equipment must first be pre-approved by the League no later than Equipment Pass-Out Day, which occurs before the first scheduled practice of the season. If the player purchased equipment is approved by the League, the parent(s)/guardian(s) of such player must complete a "HOYFL Release of Liability for Parent Purchased Equipment" form available on the league website **before** the player engages in any practice or League activity. This form must be provided to the Director of the HOYFL and kept with League records for that season. The Head Coach is responsible for notifying their division Commissioner of any players who do not receive League equipment and/or show up for practice in other than League supplied equipment. The Head Coach is also responsible for ensuring that players who do not use League furnished equipment have a completed "HOYFL Release of Liability for Parent Purchased Equipment" form before any engagement in League practices and/or games. Failure of the Head Coach to do so will result in an immediate two-week suspension. Repeated failure to do so will result in a season suspension.
