Sponsorship Information

Burbank National is a non-profit Little League organization. Non-profit youth sports leagues such as ours operate through a great deal of community voluntarism, but there are costs associated with running such a program. Registration fees are kept as low as possible and only cover a portion of costs. The remaining costs are covered by fundraising efforts and from sponsors such as you. Sponsorships help pay for things like uniforms, equipment, baseballs, field maintenance, umpires, tournaments, and much more.

Burbank National runs and maintains five fields and a concessions stand. Our fields will host well over 500 games and many other events this year. By sponsoring Burbank National, your business will be visible to the thousands of people that attend games and events at our park from the surrounding areas. Our web site receives thousands of views per season as well. Again, maximizing the exposure to people within Burbank and the surrounding suburbs.

We offer several options for your business to show its support for a Little League that has been part of Burbank since 1955.
