

Dear Potential Sponsor,

The Bay City Little League (BCLL) continues to serve the youth of this great community, as we have for many, many years. We are a non-profit organization of dedicated volunteers with the sole purpose of supporting the youth of Bay City utilizing the power of baseball to teach life lessons that build stronger individuals and communities.

The BCLL averages 250 participants from ages 4 to 16 annually; however, we expect that number to grow. We encourage any and all players to join our organization even if they cannot afford the registration fees. We understand the cost(s) of everything from equipment to uniforms is on the rise, and this is why we seek your support. With each and every contribution, we can reach more families and assist each player to reach their full potential. The BCLL - its volunteers and players are forever grateful to those who support the league.

If you have sponsored our league in the past, we encourage you to continue to do so for the upcoming season. If you have not, I assure you it's a very worthwhile way to contribute to the youth of our community.

The BCLL offers many ways for individuals, businesses and other organizations to support the league. Attached you will find our Sponsorship Packages. These packages include various levels of donation amounts with the appropriate recognition listed below each amount.

Please join us at the ballpark to watch some ball and cheer on our Bay City teams! The Bay City Little League is going strong and continues to proudly serve Bay City youth. Help us keep that fire burning with our children. Catch the spirit and support Bay City Little League today!

Sincerely,

James Cadenas
