

We Are The HORNETS

The Hamlin Hornets have initiated a sponsorship drive for this season. Please consider a donation to help our program.

We are associated with RYFC! The Hamlin Hornets is open to youth in Hamlin as well as the surrounding areas to kids grades K-8.

Our program offers our youth the opportunity to learn the basic techniques in football and cheerleading and good sportsmanship while stressing the importance of academics.

As an integral part of our community, the Hamlin Hornets provide safe, structured activities for all youth participating as well as additional activities and entertainment for all of our family members, friends and volunteers involved.

SUPPORTERS

The Hamlin Hornets was founded in 2007 and is growing rapidly. Our goal is to provide our area youth with a quality sports program that will help them develop through the discipline and self confidence that comes with playing competitive sports.

At this time the Hamlin Hornets organization turns to local businesses for financial support in order to offer a high-quality sports program to our community.

Each year as we grow, we are faced with larger expenses for equipment, uniforms, rental fees for facilities, insurance, and financial sponsor-ships for children who may otherwise not be able to participate.

All monies raised are strictly used for the youth in our program. Your support plays an important role in our ability to offer a program that is both recreational and competitive.

Please partner with us in providing the youth of our community with the opportunity and assistance they need to participate by making a tax deductible donation.

We are a non-profit organization in accordance with Section 501©(3). Tax ID number will be provided to all sponsors.

We thank you in advance for your anticipated support of our organization.
