Dear Previous/Prospective Financial Partner,

Baseball and softball season is approaching and with that comes the opportunity for you to support the youth of our community. We, the officers of the CBSLLA, together with our volunteer coaches and players, are asking for your financial support this season. Your sponsorship of either an individual team or the league in general helps to fund a safe and fun environment for children to enjoy. If you have made financial contributions in the past, please accept our thanks. If this is a new opportunity for you, please be assured that we intend to be good stewards of your gift to the children of Centerburg. Financial gifts are used to purchase uniforms and equipment, hire umpires, and promote safety in our league. We also offer a scholarship program to open participation to those who would not otherwise be able to play.
