To whom it may concern,

Each spring, the fields at Red Mountain Little League come alive with the sound of kids laughing, cheering, and playing the game that has been called **America's pastime**. Baseball is more than a sport — it's part of our culture, a tradition that has connected families and communities for generations. It teaches teamwork, responsibility, discipline, and respect; giving our children a safe place to grow while building lifelong friendships.

At Red Mountain Little League, we believe every child deserves the chance to play, regardless of their family's financial situation. That's why we are reaching out to local businesses like yours. We are currently seeking sponsors for the upcoming **2026 Spring Season**, and with your support, we can continue to provide these opportunities for kids in our community.

Why Your Sponsorship Matters

One of the most meaningful parts of your sponsorship is that **a portion of every contribution goes to our Scholarship Fund**. This fund provides financial assistance for underprivileged kids — helping them with gear, uniforms, and membership fees. With your help, we can make sure no child is ever turned away because of the cost.

Benefits of Sponsoring Red Mountain Little League:

- May be 100% Tax deductible
- Opening day is a huge event for little league baseball with 800+ players, family members and friends attending.
- We have hundreds of athletes and are growing. Hundreds of families and extended families visit our playing fields every week. We share the fields with other leagues in Mesa that will be exposed to your banners.
- Our season starts in March and runs to the end of May; your banners will be exposed to hundreds of people dozens of times at our fields at Red Mountain Baseball Complex.
- If you sponsor a team, your business name will be proudly displayed on the team's jerseys. You will have business exposure every time a jersey is worn!
- Your contributions help fund equipment, field maintenance, all related baseball equipment, baseballs, pitching machines and other long-term assets for the league. It also helps cover the costs of umpires and field access expenses.
