

Scholarship Process & Application

Central Whidbey Little League (CWLL) firmly believes that any child who wishes to play Little League Baseball or Softball should be able to do so regardless of their financial situation. CWLL offers scholarships for players where the registration fee would pose a hardship for the family. The success of CWLL and its scholarship program is dependent upon members of the community stepping forward to assist with the many tasks associated with running the league.

How to apply for a scholarship:

Request information during registration or complete the form below and submit to centralwhidbeyll@gmail.com.

Once the application has been received, CWLL will review the application and notify applicant of a decision via email within 5 days. The applicant will receive a custom discount code to be used during the online registration process.

Terms and Conditions:

If the scholarship request is approved, the following terms and conditions will apply.

1. The scholarship will cover the registration fees for only one season in all or in part.
2. Parent/guardian agrees to "re-pay" the League through volunteering a minimum of 2 shifts during the regular Season in the concession stand per participant;
3. All information contained within the application is strictly confidential and access will be limited only to members of the Central Whidbey Little League Executive Committee.
