

BMF Monthly Minutes – 2/19/2012

Meeting called to order at 7:02pm by Scott Darrenkamp.

Meeting minutes for last month approved by Darrell Barton and Tim Buchert.

Bmf would like to extend their sympathies to John Okuniewski on the passing of his father. A motion was made by Darrell Barton to send flowers to the family, board approved. Melissa Spalding will order them.

TREASURES REPORT- Jeff Landis

The budget adjustments from last year are going to work. A motion was made by Melissa Spalding and second by Aaron Taney to approve the budget for 2012. Board vote and approved. The Matt club paid \$263 for left over concessions for the previous year. A check for the amount of \$750 was donated to the sports boosters. \$300 was given to both Monarch Fire Company and Birdsboro community center for donations for use of facilities. We are in good financial shape this year. Motion was made to approve the treasures report by Chris Weller and Tim Buchert.

Concessions- Vacant

The trailer is at B&S sheds in storage, Melissa will have it cleaned. DBYS is going to take it soon to use for baseball season. DBYS will need to reimburse BMF for half of the year's storage. Aaron Taney made the suggestion that we get a tarp or cover while the trailer is in winter storage to keep the wrapping from fading. The concessions position is still open, if anyone interested in heading it up for the year please contact a board member.

Registration- Melissa Spalding

The flyers for the Tuesday folders are ready to go. Registration has been moved from Monarch Fire Company to Amity Fire Company. The registration signs have been made up they cost \$20 a sign. Aaron and Kelli will be putting them out this week.

Fundraising- Kelli Taney

Riddell is giving us the opportunity to set up a web page for fundraising. We can pick what clothing and other items to put on it. They handle all of the money and cut us a check for our portion. Kelli will get the products shipped to her and she will distribute it. We get 20% of the proceeds from sales. Kelli will set a Ritas fundraising date. Kelli will have the lottery tickets printed up.

Cheer Equipment – Beth Shewman

There are 2 uniforms still out. Will be returned this week.

Football Equipment- Aaron Taney

Game jerseys from Riddell will cost each player \$38.00. Riddell representative is coming to the first registration to help out. He is sending samples to us for sizing. Melissa Spalding will take care of typing up player's names & numbers. She already modified the registration forms for this. Chris Weller is concerned about duplicate numbers on the same team. He was assured there are no issues with the refs. We will order extra blank jerseys in case of late registrations.

Football Operations – Darrell Barton

BMF pylons still over at high school. Custodian will take them over to the middle school.

Cheer Operations

Matt's been holding meetings at island pizza to keep the lines of communication open. Cheer camp is scheduled for July 9th, 10th, & 11th at Wilson Southern Middle School. Insurance is offered at \$2.00 per participant. Wilson has asked to go to 25% cut of profits. We will still make a significant amount of profit. Flyers will be handed out at registration. There's been a price change from JD sports for some of the cheer equipment. Please see Matt for the flyer. To make things fair for the kids who are at competition level, the coaches would like to have an all star or elite squad for cross over teams. Later discussion will be made of there should be a fee involved. They would like to offer an open gym one a week for the cheerleaders to practice for one hour. They need to check with league, and Matt will talk to Goss.

New Business

3 \$500 scholarships for students of Daniel Boone school district who have participated in BMF will be offered again this year. The school will be posting them, and the student must submit an essay.

Matt Schramm submitted a cheer camp scholarship for Taylor Dallas. She is the top candidate on behalf of BMF.

We need to light the practice fields. We need to check with school & township for permission to use temporary lighting for both middle & elementary school fields. We also need to look into renting diesel generators w/ lights.

Next meeting March 18th, 7:00pm at the Birdsboro community center.

Meeting adjourned at 7:32. First by Melissa Spalding, second by Tara Myers
