Commissioner's Report

Registration meeting was held with board members and equipment managers.

We will have electronic registration. If parents do not register their child at home, we will need to register them at the fire hall on 3/29, 4/1, 4/12.

Football Co-Commissioner Report

Striving for uniformity across all teams. There are several coaches' clinics that coaches are encouraged to attend (February - Riddell; March - Conclave). Steve is checking on prices.

It was suggested that there be a coaches' training budget that will be discussed in further meetings. The coaches that are able to attend will bring the seminar back to the coaches that were not able to attend.

Cheerleading Co-Commissioner Report

Nicole reached out to Michelle Goss to discuss practice space and Jeff at JD Sports to discuss uniforms. A coaches' meeting will be held at the end of February to discuss the upcoming season and compile a list of needs. Initial list includes new radios, additional poms, gym mats.

Concession Report

Harold to take trailer to be taken over to Player's Grill to be cleaned. Repairs are needed and will be split with DBYS (shelves, screen, window, carpet). A punch list of what needs to be done needs to be compiled. It was suggested that head coaches be eliminated from mandatory snack bar duty.

Registration

We would like to charge a \$20 fee to all participants for snack bar coverage; this includes flag cheer and flag football. If the parent shows up and volunteers, they will get their \$20 back. If we cannot get volunteers we will give HS sports teams a donation (from the funds collected) to come and work the concession stand.

No money will be collected online for registration. All fees will need to be paid in person on 3/29, 4/1, 4/12.

2 Laptops will be needed for registration.

A \$300 donation will be given to the fire hall for the space.

Steve will take care of updating the signage and creating the flyers. The flyers need to be at the school 3 weeks ahead of time for the school's approval. We need to reach out to Jenn DeMild. Ideal timing for the flyers is the beginning of March.
