

Meeting Minutes

Homer Athletic Club
Thursday, April 14, 2016

Meeting called to order: 8:09

Roll Call:

Present: Pat Greaney, Chris Moore, Nicole Korosa, Andrew Rodeghero, Nick Francone, Jennifer Malinoski, Dave Regan

Absent:

Secretary Report:

Motion to accept minutes from March 2016--accepted by Francone and Malinoski

Treasurer Report:

Moore went over financials-travel baseball income coming in. Motion to accept--Malinoski first, Korosa second.

Open Forum:

Briefly discussed Homer Independence Day Parade again this year. Nicole volunteered to handle organizing HAC's participation in the parade on June 25th. Will request volunteers to help if needed.

Committee Reports:

Rec Baseball

Registration is closed. Coaches picked, draft done, and teams have been chosen. Practices have also started. Games to begin in early May.

Registration numbers increased this year, approximately 425, 150 being softball.
1 Colt team, 1 Collegiate team

Uniforms ordered and are coming in. All uniforms will be here in time for first game.

Travel Baseball:

Heat--season started--games played already at Complex. Both Fire and Heat schedules are posted. Heat tournaments are coming at end of this month, April.

Rec Softball:

Season starts April 23rd. We are part of the "VHL" for 12U. We are mirrored now with Lockport and standings will be coinciding with Lockport. Playoffs will take place there.

Coaches meeting will take place on Monday, April 18th and Chris Moore will be there to go over the "do's and don'ts" with coaches.

Had to reschedule umpire training and this now will take place on Saturday, April 16th. Lisa Swedko has rules and will arrange to be posted on HAC website.

Waiting on uniforms and Lisa not happy that they are late in arriving. She did receive an email that uniforms will be delivered by tomorrow, Friday, April 15th, confirmed also with UPS.

Delaying pictures for baseball and softball at this time.

Umps are also double checking schedules with Tim James/Official Finders.

Fire Softball/Heat:

See above

Basketball:

Season is now done. Per Regan, all invoices have been paid.

Travel Basketball:

Also done.

Question from Greaney to Regan-are accounts closed? Dave to follow up on any extra money due for refunds.

In regards to girls basketball, Katie Melody spoke with "Lisa" at Lemont Athletic Club to discuss setting up games for next season.

Katie Melody would like to see 6th, 7th, 8th grade ladies play Travel. Need to consider for next year in order to keep interest in the program, but, Regan is afraid by forming travel we might lose numbers.

Volleyball:

Because of overlapping of Basketball at the start of Volleyball season and then again with Softball during Volleyball playoffs--Jen was very frustrated as it was causing some

problems. Francone and Lisa Swedko will work with Jen with the overlapping for next year. They did not know this was a cause of concern.

Discussed some return of equipment -- guy won't return her calls or emails, we will have to "eat" the cost of the equipment.

Jen discussed starting 1st and 2nd grade volleyball and was given the "Go for it!" by Board. Question if we can use Hadley Junior High. Will be looking more into Mt. Assisi. and Jen will be meeting with Kerry from Mt. Assisi. to discuss more for next season.

Field Maintenance:

Scoreboards don't work-they need plugs. Sprinklers are still in limbo and are still being marked, but water is on as of yesterday, April 13th. Problem with Field 4.

Chris Malinoski needs to know a schedule for when fields are being used at the Complex and Culver.

HAC took delivery of Toro Sand Pro and we sold a gator.

Concessions:

"Marguarite" will open concession stand on Tuesday, April 19th to start getting it ready. Looking to get approval to grill on weekends and is working on the menu.

Sponsorship:

Rod will get more into it when he has more free time. Baseball is in full swing. Banners will go up.

Presidents Report:

Talk of 33c and the village building a complex at Konows.

Township seems happy with us.

New Business:

1. need to consider Little League, 9-12 needs to be one league
2. changing birthday requirements for little league

Motion to Close: 9:48

Motion accepted Jen and Nicole
