**Rec Baseball:** March 19 at Hadley for evals. In the middle of registration. Starting to transfer over to Blue Sombrero.

**Travel Baseball:** Things are going along at the Quarry, Heat and Fire have their dates. Tag days were successful. Had 7 teams participate over 4 days.

**Rec Softball:** Softball is going well. Passed out flyers during volleyball evals. Still early in the season

**Fire Softball/Heat:** Travel softball- 16U Heat team is no longer with the program. Field 2 and Field 1 open for July 8 thru July 10, Field 1 and 2 open April 16 and 17.

**Basketball:** New basketball coordinator Kate, Aubrey ran clinics as well as Kate. Need to get Kate on the website. Incident: Girl 3<sup>rd</sup> and 4<sup>th</sup> grade: 2 coaches have been disrespectful toward to each other. Inappropriate behavior and language. A coach portraying bad behavior will not be asked to coach next year. Parents can fill out coach evaluations. Coach will be contacted.

Another incident happened with 7<sup>th</sup> grade boys. Boy was injured, ref called a foul.

Aubrey update on Travel Basketball: last year 3 teams now at 8 teams, 2 are girls. Coaches were able to go to coaching clinic. Attended youth night. High

School is connecting with the basketball program. Teams want to go full time next year instead of part time. There weren't any home games. Can we get another facility to add a night? Would like to host a game at home maybe once a month or so. Girls would like some pre-season camps.

### **Volleyball**

Have Dave open Camp up to 60 kids. Ordering more volleyballs due to increase in teams. Opening up volleyball to boys at all levels for the 2017 season.

Chris Malinoski has a proposal for field maintenance. Sports Field will come back out to touch up. Like to clean up area near storage bin. Need dates of first game. Field Maintenance should start on April ?? Fields need to be aerated. Bio solids are free. Need 2 to 3 guys to work during the week at start of 5:45 game and 8:00, During down time, they can clean up the area, weed. Weekends have 3 guys. Mondays and Fridays to redo all the mounds. Need at least two weeks to close the fields for the Spring.
