Dear Local Business Partner,

The North Penn Squires Organization has been a part of the community for 50 years come 2022. Our Board is comprised of parent volunteers doing our best to give the children in our community a chance to positively grow both mentally and physically by learning teamwork, self-confidence, leadership, flexibility and endurance.

Every year we depend on fundraisers and sponsorship donations to help cover our operating expenses including uniforms, club house maintenance, field maintenance, safety equipment, etc. Unfortunately, we were unable to have a 2020 season due to the COVID-19 pandemic and state-wide restrictions. This has caused much disruption financially to our non-profit organization and we are in dire need of new sponsors to keep us afloat.

As a strong and valued business staple in our community, we feel you are a great fit. In appreciation of your donation, we will maximize your exposure by advertising your business name on t-shirts, email communications, social media posts, and announcements made at our games for all to hear!

We appreciate your consideration and thank you in advance for helping us nurture our youth to be "Better Sportsmen Today, Better Citizens Tomorrow." For any questions or comments, please contact our Board President, Chris McCusker, via email at northpennsquires@gmail.com.

Thank you
