### Physicians Medical Form

Dear Parents/Guardians:

Even though we have an excellent record of an extremely small number of injuries that boys and girls sustain in our football and cheerleading programs, there are cases when they do occur. In the event that a child is injured during practice or in a game, we may need access to medical supplies and staff for immediate attention. Although we provide approved medical personnel at every game, most coaches are available for on site first aid. If a child is injured during practice or a game, regardless of how minor the injury, you will be personally contacted by a member of our organization.

The North Penn Athletic Association requires a complete physical examination for every child by a medical doctor prior to engaging in any of the organization's activities. Below is a form that must be completed by your Doctor and returned to the organization. **NO CHILD CAN PARTICIPATE IN ANY PRACTICE AND/OR GAME WITHOUT THIS COMPLETED FORM.** We would prefer that the physical exam be completed during the year of the child's actual participation in our program.

---

**PLEASE PRINT CLEARLY**

Child's full name: \_\_\_\_\_

Physical examination completed on: \_\_\_\_\_

Medical problems: \_\_\_\_\_

Limitations imposed by Physician: \_\_\_\_\_

Immediate type of First Aid/Medication to be applied to the child: \_\_\_\_\_

Other information: \_\_\_\_\_

(Please use the back of this form or attach additional sheets if necessary)

This child has passed the physical examination and can engage in all football and/or cheerleading activities.

☐ YES

☐ NO (please explain in the limitations by physician section of this form)
