

# Mon County Girls Softball 2026 Player Evaluations

## Sunday, March 1, 2026

### Westwood Middle School Gym

**All players must bring their glove, fielder’s face mask, batting helmet, and bat, if they have one, to the evaluation.**

Players who are also pitchers will complete their full evaluation in the “Pitcher/Player Evaluation.” **They do not need to come to the earlier time slot based on their last name.**

If you have siblings in the same age division with one of the two siblings pitching, your family will not need to arrive until the respective age division’s “Last Name S-Z” time slot. The idea is the non-pitching sibling can evaluate at the time slot immediately before the pitcher evaluations. This will prevent families from needing to be there for an extended period.

We will move girls through the evaluation stations in small groups. Once the player has finished all stations, they are free to leave.
