

## **Recreation Soccer Wait List (2/6/21 - 2/13/21)**

Good Day Iredell County Families,

Our Spring 2021 Recreation Soccer Program registration has come to a close as of 2/5/21 at 12:00am. If you were unable to register your player in time, then please do not fear. Here at IFC and ICRD we want to give our families every chance to play the beautiful game of soccer and enjoy our fun and family feel program. As of 2/6/21, at 12:01am, we have opened up our Recreation Soccer WaitList for the 2021 Spring season program.

### **What is the WaitList:**

This means you can still register your player for the Spring 2021 season, however your player will be placed on our WaitList. Once all of the already registered players have been assigned teams and teams have been created, if there are spaces on teams still open, then we will do our best to assign those players on the WaitList a spot on a team. Please know there are no guarantees that we will have availability, and all open spots are given to players on our WaitList on a first come first served basis.

### **WaitList Uniform Orders:**

Please also note that any player(s) on our WaitList are not guaranteed their uniform order will be received, on time, before the season starts. Please expect delays in your uniform order and be prepared to start the season without a uniform. Players who do not have uniforms by the first game, may have to wear a pinnie or team color spare jersey, until their uniform arrives.

### **Registering for the wait list:**

Our WaitList works like a tryout system, you simply register your player to the WaitList and if a spot becomes open, we will then send you an acceptance email. Once you accept the position through the prompts on the email, you will then proceed through the registration system, pay your registration fee and then be accepted onto a team. From here your team coach will be in touch via email in regards how they wish to communicate with you along with specifics for team practices schedules.

### **What if there are no open spots and my player can not play this season?**

If we are unable to assign your player, as spots on teams become completely full, then we extend the invitation of attending some of our IFC camps and clinics throughout the year that will keep your player engaged and develop your players skills ready for the next season. Our camps and clinics are regularly offered throughout the year.

If you would like to be added to our WaitList, then simply go to our website [www.impactfutbolclub.com](http://www.impactfutbolclub.com) and go to our Recreation Program page. At the bottom of the page you will find our 'player registration' section where you will see an option to register for our WaitList. From here you will follow the registration process and an IFC staff member will be in touch.

If you have any questions in regards to our recreation program, please feel free to contact us at [impactfcnc@gmail.com](mailto:impactfcnc@gmail.com) and we will be happy to help.

Looking forward to serving your family.
